Policy Introduction

Understanding This Policy

This is **your** travel insurance policy. It contains details of cover, conditions and exclusions relating to each **insured person** and is the basis on which **we** settle all claims. It is only valid if **we** have given **you** a **certificate of insurance** and which should be read in conjunction with this policy wording. Cover applies to the **insured person(s)** named on the **certificate of insurance**.

In return for having accepted your premium **we** will, in the **event of** **bodily injury**, **death**, **serious illness**, **disease**, **loss**, **theft**, **damage**, **legal liability** or other specified **events** happening within the **period of insurance**, provide insurance in line with the sections of **your** policy that apply. **We** want **you** to get the most from **your** policy and to do this, **you** should take time to read all parts of this policy wording, Insurance Product Information Document (IPID) and **certificate of insurance**. You must make sure that **you** understand the exclusions and conditions which apply to **your** policy, because if **you** do not meet these conditions, it may affect any claim **you** make. If **you** have any queries about **your** cover, please contact the issuing agent, particularly if **you** feel this insurance policy may not meet **your** needs. Remember, no policy covers everything. **We** do not cover certain things such as, but not limited to:

- **Medical conditions** as described in the Important Conditions Relating to Health section
- **You** must not be travelling against the advice of a **medical practitioner**, travelling specifically to receive medical treatment during the **trip**, or travelling with the knowledge that **you** are likely to need medical treatment
- Losses that **we** do not state are specifically covered under 'What is covered' in each section of cover
- The 'General exclusions applying to all sections of the policy'
- Any circumstances known to **you** before the **purchase date** of this policy or at the time of booking any **trip** which could reasonably have been expected to lead to a claim under this policy
- The intention of this policy is to cover **your** entire **trip**. The policy will need to cover the date that **your trip** begins until the date you return to Ireland
- Any **trip** that has already begun when **you** purchased this insurance
- If **we** do not state that something is covered, **you** should assume that it is not covered.

Your Responsibilities

This policy has been sold to **you** on a non-advised basis and **you** should read this information to ensure that it meets **your** requirements. **You** may already possess alternative insurance(s) for some, or all the features and benefits provided by this product, it is **your** responsibility to investigate this. When taking out or making changes to this policy, **you** must take reasonable care to provide accurate and complete answers to all questions asked by the issuing agent. **We** may ask **you** to provide additional information and/or documentation to ensure that the information **you** provided when taking out or making changes to this policy was accurate and complete. If any information **you** provide is not accurate and complete, this may mean **your** policy is invalid and that it will not provide cover in the event of a claim, or **we** may not pay any claim in full. If **you** need to make any changes to the details contained in **your** **certificate of insurance**, **you** should contact **your** issuing agent as soon as possible. **Your** issuing agent will advise if those changes can be made and whether any additional premium is required.

Emergency Medical Expenses - Important Note: Should an insured be admitted to **hospital**, then immediate contact must be made with the Emergency Assistance Service. This is not private medical insurance. In the **event** of an insured dying, incurring medical expenses in excess of €500, being involved in an **accident**, being admitted to **hospital**, or curtailing for medical reasons, the Emergency Assistance Service must be advised as soon as possible, and liability shall only attach for expenses agreed by them. The use of **your** European Health Insurance Card (EHIC) or **your** Global Health Insurance Card (GHIC) will waive the policy excess under this section, **inpatient** and **outpatient** treatment at a public **hospital** is then available free of charge. All original receipts must be kept and provided to support a claim.

You have the right to select and appoint a legal representative of your choice to represent you in any legal inquiry or legal proceedings (provided any appointment of a legal representative is not on a contingency fee basis, where the legal representative charges a proportion of the amount recovered as a fee). You shall provide us with details of the selected legal representative's name and address. We may provide information about legal representative in your local area if you ask us.
3. The legal representative and you must co-operate fully with and ensure that we are fully informed at all times in connection with any claim or legal proceedings for damages and or compensation from a third party. We are entitled to obtain from the legal representative any information, document or advice relating to a claim or legal proceedings under this insurance. On request you will give to the legal representative any instructions necessary to ensure such access.

4. Our authorisation to incur **legal expenses** will be given if you can satisfy us that:
 - a. there are reasonable grounds for pursuing or defending the claim or legal proceedings and the **legal expenses** will be proportionate to the value of the claim or legal proceedings; and

The decision to grant authorisation will take into account the opinion of the **legal representative** as well as that of our own advisers. If the claim is admitted, your costs in obtaining this opinion will be covered by this insurance.
5. Any dispute between you and us (about our liability over a claim or the amount to be paid, where the amount of the claim is €5,000 or more) must be referred (within 12 months of the dispute arising) to an arbitrator appointed jointly by you and us. If you and us cannot agree on an arbitrator, the President of the Law Society of Ireland will decide on the arbitrator and the decision of that arbitrator will be final. We may not refer the dispute to arbitration without your consent where the amount of the claim is less than €5,000. If you do not refer such a dispute to arbitration (in the case of a claim for €5,000 or more) or to the courts of the Republic of Ireland (in the case of a claim for less than €5,000 or where you have agreed with us, after the dispute between us has arisen, that the claim will be dealt with by arbitration), within 12 months, we will treat the claim as abandoned.
6. We may, at our discretion, assume control at any time of any claim or legal proceedings in your name for damages and/or compensation from a third party.
7. All claims within this section must be submitted to us in writing within 90 days.
8. Any **legal expenses** incurred without the written agreement of us shall entitle us to withdraw cover immediately and to recover any fees or expenses paid to you.
9. We may, at our discretion, require you to obtain at your expense an opinion of a barrister agreed by you and us as to whether or not there are reasonable grounds for continuing to pursue or defend any claim or legal proceedings. We will pay such expense if the opinion indicates that there are reasonable grounds for pursuing or defending the claim or legal proceedings.
10. We may at our discretion offer to settle a counterclaim against you which it considers to be reasonable instead of continuing any claim or legal proceedings for damages and/or compensation by a third party.
11. You shall be responsible for the repayment to us of all sums paid by us in respect of the **legal expenses** where:
 - a. an award of costs is made in favour of you in the claim or legal proceedings; or
 - b. costs are agreed to be paid to you as part of any settlement of the claim or legal proceedings.
12. If a conflict of interest arises, where we are also the insurer of the third party or proposed defendant to the claim or legal proceedings, you have the right to select and appoint other **legal representatives** in accordance with Special Condition 2 of this section.

2. Any claim reported to us more than 24 months after the beginning of the incident which led to the claim.
3. Any claim where it is our opinion that the prospects for success in achieving a reasonable settlement are insufficient and/or where the laws, practices and/or financial regulations of the country in which the incident occurred would preclude the obtaining of a satisfactory settlement or the costs of doing so would be disproportionate to the value of the claim.
4. **Legal expenses** incurred before receiving our prior authorisation in writing unless such costs would have been incurred subsequent to our authorisation.
5. **Legal expenses** incurred in connection with any criminal or wilful act.
6. **Legal expenses** incurred in the defence against any civil claim or legal proceedings made or brought against you unless as a counter claim.

15. **Legal expenses** incurred after you have not:
 - a. accepted an offer from a third party to settle a claim or legal proceedings where the offer is considered reasonable by us; or
 - b. accepted an offer from us to settle a claim.
